# ABOUT US

## Who We Are?

We want to give the power back to the Artists and labels. To be Independent is more important than ever. Because of that, we offer different plans for everyone. Free Plan for beginners who want to just try it out, Basic Plan for people who take it a bit more seriously, and Premium for everyone who wants to take it seriously. Our main priority is to help people do what they love, Music is love and magical, and the more people start making music, the more love and magic are in our world. Music fits every mood, and we want to fit every artists and labels.
